

June Monthly Newsletter

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

The Girl Scout Program

Grounded in the Girl Scout Promise and Law, Girl Scouting is an experiential, cooperative education program that promotes girls' personal growth and leadership development. Partnering with caring adults, girls design fun and challenging activities that empower them and raise their voices within a local, national, and global sisterhood.

Girl Scout Promise

On my honor, I will try:

to serve God and my country,
to help people at all times,
and to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,

and to

respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

End-of-Year Financials

EOY Financial Reports

It's End of Year Troop Financials time! June 30th is the deadline for your troop's annual report. This year, the GSMW Finance Department is setting high compliance goals, and have been working hard to make filling out and turning in your troop financial report easier! Check out our website for all of the details and tools for the 2022-2023 [EOY Financial Report essentials](#).

Video Tutorial: YouTube

Need some guidance? [This YouTube tutorial](#) will guide you through the entire process.

Service Units: EOY Financials

Service Units do not have the ability to submit via the volunteer toolkit. The PDF form from prior years is still available, but now Service Units may also complete the [report online!](#)

We hope to give you all a shout-out in the next few newsletters for completing this report! Please note that bank accounts are subject to closure if we cannot ensure they are in compliance with GSMW & GSUSA'S financial policies.

Product Finance Tool

The Product Finance Tool, or PFT! This tool will be linked on our website. You can use it to determine the product sales income and expenses for your troop, identify the troop's proceeds, and to calculate the cost of leftover product. It's easy!

1. Just enter your troop number in the green box at the top (the specific figures for your troop will automatically populate).
 2. Enter the sales values of leftover Fall product and the package count of leftover cookies in the corresponding boxes.
 3. The resulting costs of leftover product reflects the troop's proceeds.
- This tool is also discussed in the video tutorial: [\(Here on the website\)](#)

Office Hours

The Finance Department has set aside time throughout the month of June to meet with anyone who would like assistance with their report. The half-hour time slots can be scheduled [here](#). Please reach out to customercare@gsmw.org if you need an additional appointment option.

REMEMBER: Bank accounts are subject to closure if we cannot ensure they are in compliance with GSMW and GSUSA'S financial policies, which includes submitting your year end financial report and appropriate documents.

Recognitions

Recognitions have arrived to Service Units and you should be able to pick them up soon! (If you haven't already!) Recognitions that are 1000+ will be sent to the individual Girl Scouts by mid-June.

Any Girl Scouts who are receiving higher recognitions who have outstanding balances will not receive their recognitions until the balance is paid in full. Balances must be paid in full by August 31st to retain the higher recognitions.
