

Dear Juliette Caregiver,

We're excited that you and your Juliette will be participating in the Cookie Program! Please see the included Caregiver Guide for important information and whenever you see the guide talk about your troop leader, you will be working with me, the GSMW Juliette Coordinator. I have also included the **Juliette Cookie FAQ's** that will be helpful throughout the Cookie Program, so keep it handy. You will use the Juliette online form to submit your initial order, reward choices, shipping information, and order verification. All Juliettes must complete this form if they have participated in the Cookie Program even if you do not have any orders on the paper order card. Please visit www.gsmw.org/juliettescookies to access the form and other important information for the Cookie Program. At the conclusion of the Cookie Program, you will submit collected money to GSMW (see the FAQs for ways to submit). Please see below for my contact information and I will assist you and your Juliette during the Cookie Program.

We want this to be a fun and successful experience for your Juliette Girl Scout, we are here to help! Following her participation in the Financial Literacy Programs, you can request Juliette Funds to help pay for membership, shop purchases, and Council events or resident camps – the Juliette Fund Request form is found at www.gsmw.org.

Thank you for being an active part of your Juliette's journey in Girl Scouting! We hope this is a fun-filled year for you both.

Thanks you,

Bridget
