

GSMW Assumption of Risk and Waiver of Liability Relating to COVID-19 and Girl Scouts Activities

The World Health Organization (WHO) has declared COVID-19 a worldwide pandemic. COVID-19 is very contagious and spreads from person-to-person contact. As a result, federal, state, and local governments, as well as federal and state health agencies, recommend physical distancing of six feet and limiting group gatherings and congregations of people.

Girl Scouts of Montana and Wyoming (GSMW) has outlined preventative measures and guidelines for our members: (<https://www.gsmw.org/en/for-volunteers/VolunteerEssentials/returning-troop-meetings.html>) GSMW, however, cannot guarantee that our volunteers, guests, program registrants, and Girl Scouts will not become infected with COVID-19. Further, attending Girl Scout events or programs and traveling on Troop Trips can increase an individual's risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my family and I may be exposed to or infected by COVID-19 if the below-named adult or child participant attends a Girl Scout-related event, program, or travel opportunity.

I agree to assume all COVID-19-related risks and accept responsibility for any injury to my Girl Scout, program participant, family, or self that we may incur through attendance at events, programs, or Troop Trips. On my behalf, and on behalf of my event/program/trip participant, volunteer, or family member, I hereby release and hold harmless GSMW, its employees, agents, and representatives.
