

VIRTUAL MUSEUM SCAVENGER HUNT

Natural History Museum, London, England

The Hidden World of the Tank Room

This is an amazing opportunity to see a one of a kind exhibit. Please click on the link and watch the 360 video. Scroll through the still photos and be sure to look around the room during the video.

Here are some things to look for...

Why are the specimens in the locked cabinet so special?

Who is Archie? And why is he special?

The samples in the yellow top jars are special because of what?

What kind of mammal is stored in a jar?

Who collected the specimens in the locked cabinet?

What liquid are these specimens stored in?

At Girl Scouts, we use art as a way to learn and express ourselves.
