# Pack in the Memories at Girl Scout Summer Camp

This summer will be filled with new adventures, friendships, skills, and countless opportunities to create unforgettable memories!

Speaking of new, we're thrilled to introduce our new Camp Director, Harmony "Skippy" Moran!

Many of you may recognize her from past summers at camp. Now, as a full-time staff member at GSMW, she's incredibly excited to hang out with you all again this year.

Each year, we strive to create a supportive environment where

Girl Scouts can build courage, confidence, and character.

We've been working hard to make camp more accessible for everyone by introducing exciting new themes, revamping the layout, and offering badge work at select camps.

If you have any questions or concerns, please don't hesitate to reach out.

We're excited to make unforgettable memories and expand our horizons together.

# Camp Traditions

## Pirate Day

Somehow the pirates keep finding us at camp, so come prepared with your best pirate disguise and be on the lookout for their silly antics!

## Campfire

The start and end of camp is honored around the campfire where campers sing songs, act out skits, and cherish their special memories from camp.

## Archery

A camp classic where campers get to practice their bow and arrow skills. Our inflatable archery allows for these skills to be practiced rain or shine!

## Golden Dustpan

Each day, campers come together to build character by maintaining clean and organized cabins. The cabin that demonstrates the highest level of care and cleanliness earns the Golden Dustpan as a reward.

## Gaga Ball

A camp favorite! This action-packed game gets the heart rate up while teaching strategy, fair play, and respect.

## Cookouts

Every week, weather and US Forest Service permitting, all GSMW campers get to cook a meal over an open fire.

## Spirit Stick

Protect your unit from the folly of the Tajar by finding the all-powerful Spirit Stick! Will your unit get the chance to hide it?

## Tie-Dye

We encourage every camper to bring a cotton t-shirt, pair of socks, or anything else they want to splash with color. New this year, campers will be able to **preorder a t-shirt during registration** and we'll have it ready at camp.

**New!**

# Frequently Asked Questions

For more in-depth information, visit our website and review our new Resident Camp Success Guide.

## My camper has a special accommodation, how can I tell camp staff?

We want all of our campers to have the most successful week at camp. If your camper has any dietary restrictions, learning differences, health needs, or need for accommodations, please contact us (at least two weeks before camp) at [customercare@gsmw.org](mailto:customercare@gsmw.org). Together, we can discuss your camper's needs to determine the best course of action to ensure a safe and successful camp experience.

## How can I contact my camper while they are at camp?

Campers LOVE to get mail! Given the lengths and locations of camps, mailed letters will not be delivered to camp in time. Instead, caregivers can bring a letter or batch of letters to check-in. Give the letters to our camp staff at the check-in table so camp staff can deliver these letters throughout the week. Please keep messages upbeat and supportive.

Phones are NOT permitted at camp. Electronics detract from the camp experience. We want kids to unplug from technology and tune into the present experience. It's difficult to become fully engaged in the world around them when they are tied to their electronics and life at home. A camper cannot benefit from the experience of being independent and away from home if they are retreating to their bunk to text home. We have counselors that are trained to work with campers to help them with homesickness and other issues. If there is an emergency, camp may be reached at 406-252-0488 or 406-743-9329.

## Why don't adults sleep in cabins with campers?

Campers can make new bonds with their peers and gain independence when they sleep in separate quarters from their caregivers. Unrelated adults and campers/girls should never be alone together. Therefore, GSMW requires separate sleeping quarters for adults and campers. All adults attending camp must be registered Girl Scout volunteers with an approved background check.

## Where can I find my confirmation packet?

Confirmation packets can be found at [www.gsmw.org/camp](http://www.gsmw.org/camp) and in the UltraCamp document center. A hard copy can be printed upon request. Please send requests to [customercare@gsmw.org](mailto:customercare@gsmw.org) at least two weeks in advance of camp attendance.
