

Design the 2026 Spring Renewal Patch!

It's time to show off your creative side!

Are you a Girl Scout with a creative touch?
Share your flare for color and design by
submitting artwork that could end up
on patches worn all over our council!

Guidelines:

- Designs must be submitted in circle provided
- The theme is Spring, so include things that make you think of this time of year!
- Use pencils, pens or markers
- Keep it simple! Detailed designs may not translate well on a patch
- Submit your entry by April 28th
