## Girl Scout Promise

On my honor, I will try:  
To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

*\*Members may substitute to word  
God in accordance with their own spiritual beliefs.*

## Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong,  
and responsible for what I say and do,  
and to respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place,  
and be a sister to every Girl Scout.

## Girl Scout Mission

Girl Scouting builds girls of courage, confidence,  
and character who make the world a better place.

## About Girl Scouts

Girl Scouts was founded in 1912 by Juliette “Daisy” Gordon Low and is the preeminent leadership development organization for girls. Juliette Gordon Low believed in the power of every girl. Every Girl Scout has their own curiosity, dreams and talents, so when they come together to decide which of the thousands of Girl Scout activities to try, the sky’s the limit. Whether visiting an animal shelter, camping, hosting a dance-off, or filming a movie, they’re learning to take risks, trust their gut, and team up with others for good.

## What do Girl Scouts do?

Each age level of Girl Scouts is unique to a wide variety of activities and offers exciting opportunities to try new things, build her tool box of skills and grow her leadership abilities. As a Girl Scout progresses, every level builds upon the last and allows them to explore their interests in a way that is meaningful and age appropriate to them. This section gives you a brief overview of each age level and what you may expect along with resources you can use to enhance your experience.
