No-Risk Cookie Pickups – Limited Time Only!

From April 7-13, 2025, troops and caregivers can pick up cookies from a Council Cupboard during our special No-Risk Cookie Cupboards.

A No-Risk Cookie Cupboard allows you to return any unsold cookie cases or packages by 7 PM on April 14th, 2025, at no cost to you or your troop. This is a great opportunity to boost your sales during the final week of the Girl Scout Cookie Program without the worry of leftover inventory.

Key Details:

- ▶ All returns must be made by 7 PM on April 14th. **No exceptions.**
- ▶ Any cookies not returned by the deadline will be the financial responsibility of the person who signed for them.
- ▶ This is a first-come, first-served opportunity, so be sure to place your planned cupboard order as soon as possible through [Smart Cookies](#). Learn [how to place a cupboard order here](#).

2. Girl Cookie Order Details Report

1. Run the [Girl Cookie Order Details Report](#) under the 'Reports' tab to make sure girls have received credit for all their Girl Delivery and donation orders.
2. Compare the girl's cookie totals to your receipts and transfer any missing packages to your Girl Scouts via a Troop to Girl (T2G) transfer or [Virtual Cookie Share](#) for donations.
3. Make sure you ONLY transfer packages from Girl Delivery orders and not Direct Shipped orders as girls automatically get credit for these in Smart Cookie, only donations from Direct Shipped orders need to be credited via Virtual Cookie Share found under the 'Orders' tab.
4. Make sure to leave detailed notes on every order to prevent duplicate transactions.
