

Cookie Program Resources and Tools

GSMW Cookie Resources

Visit www.gsmw.org/cookieresources to view important information, resources, and tools for the Cookie Program.

Clover Go

Clover Go is a credit card processing app to accept payments from customers. Visit www.gsmw.org/clover to enter Troop banking information to request Clover Go credentials.

ACH Authorization Request

ACH Sweeps are how Council receives money from Troops to pay for the Troop cookie balance. Troops must submit an ACH Authorization form when they establish a new account but by no later than March 6.

Digital Cookie

Digital Cookie is the online platform that customers can use to purchase from Girl Scouts. Troops can also set up a Troop site to allow customers to purchase. You can also use this app to take payments at booths.

Smart Cookies

Smart Cookies is the online platform that Troop volunteers use to order cookies, track sales and rewards throughout the program.

Zoom Office Hours

From Jan 30 – Apr 17, pop in on Thursdays from 11:30 AM – 1:30 PM for tips and to get questions answered by our Product Program Manager.

Digital Cookie Support

Check out this help center for volunteers with topics about all things Digital Cookie. There are Tip Sheets and videos available for caregivers too!

Band for New Troops

Join this Band group specifically made for our New Volunteers. Connect with other volunteers, ask questions about the Cookie Program and other topics as you learn as a New Troop Leader.
