Cookie Talking Points

We know you're often at the forefront of your communities when it comes to questions about Girl Scouts, so we're making sure you have the most accurate and updated information about the alleged presence of glyphosate and other metals in Girl Scout Cookies. If you have customers that have concerns, here are some talking [points and articles](#) you can reference if needed. You can also direct questions about Girl Scouts or Girl Scout Cookies to GSMW Headquarters Office by emailing customercare@gsmw.org, or calling 406-252-0488. You can also print these [Contact Us cards](#) to have on hand if needed. Let me know if you need me to mail you printed copies of these.

Ways to Sell Your Extra Cookies

In hand door to door to new customers or ask existing customers if they would like additional cookies.
Neighborhood pop up sale like a lemonade stand.
Ask local businesses if they would like to support Girl Scouts.
PTA/PTO for Teacher Appreciation gifts.
Find a troop or another Girl Scout who needs additional cookies. If you give or receive cookies from a troop or another Girl Scout, please let me know so I can move the cookies in the system accordingly.
