Challenge Yourself

Customers can also explore the Mags & More shop for magazine subscriptions, personalized stationery, Girl Scout-themed Bark Boxes for your favorite furry friend, a wide variety of beverage tumblers, and new this year, candles that suit everyone on your list. Our products are great for all of your holiday shopping!

Here are some ideas of people you won't want to forget:

- Teachers (don't forget the Caramel Apples)
- Family and Friends
- That special someone
- Babysitters and daycare workers
- The mail/delivery person
- The crossing guard at your school

Care to Share

Do your friends and family not want any sweets or treats?

Customers can purchase a treat for a member of your local military for only \$8! At the end of the season, we donate all the Care to Share purchases to local military bases and veterans around our council just in time for the holidays.

Don't forget about the Care to Share challenge to win Blossom the Giant Grizzly Bear! Seven Care to Shares get you entered to win!

Last year we were able to deliver over 1,500 nut and candy items to the armed forces and veterans all throughout Montana and Wyoming, thanks to our distributors. Let's see how we can meet and exceed that number this year!
