M2 Online System (M2OS) access is coming Sept. 25. Keep an eye out for your registration email. Click on the link and follow the on screen instructions. Make sure you send the Parent Adult Email Campaign (PAEC), create your avatar and check your rosters for correct information. If you need to make any adjustments to your roster, please fill out the M2OS Changes form.

### Paper Order Card Update & Personalized Patch Requirements

The order cards had to be reprinted, and were shipped last Thursday (9/18) to the same addresses, unless you let us know otherwise. If you have not received the corrected cards by this Friday (9/26) or need additional copies of paperwork, fill out the Fall Product Program Paperwork Request form.

It has been brought to our attention that the requirements from the girl Personalized Patch are incorrect on the troop envelope and order card. The requirements on the caregiver guide are correct. The requirements are as follows:

- Create your Avatar
- Send 20+ emails
- Use the "Share My Site" function
- Sell 3+ Mags and More items AND 50+ nut and candy items

Thank you all for your patience and understanding.
