Fall Product Program

Weekly Juliette Bites: October 20 - 26

Promotions

Meet Blossom the Grizzly Bear! Thank you for helping us name her, we can't wait to see which lucky Girl Scout sells Care to Share items to take her home!

Don't forget about all of our other great challenges like the exclusive Fall Program water bottle to put your challenge stickers on! Check out the other challenges girls can participate in [here](#).

Clover Go

If you already have Clover Go set up as a Juliette, you may use it for the Fall Program for debit/credit card payments. If you have never used Clover Go as a Juliette or only have used it with a troop, we will not be setting up any new Clover Go accounts. You may find other ways to accept card payments however GSMW will not cover the cost to use these platforms. When we move into the Cookie Program, Digital Cookie can be used for card payments.

Paper Order Card Update

It has been brought to our attention that the requirements for the Personalized Patch are incorrect on the order card. The requirements on the caregiver guide are correct. The requirements are as follows:

- Create your Avatar
- Send 20+ emails
- Use the "Share My Site" function
- Sell 3+ Mags and More items **AND 50+ nut and candy items**
