Meet Blossom the Grizzly Bear! Thank you for helping us name her, we can't wait to see which lucky Girl Scout sells Care to Share items to take her home!

Don't forget about all of our other great challenges like the exclusive Fall Program water bottle to put your challenge stickers on! Check out the other challenges girls can participate in [here](#).

Clover Go

If you already have Clover Go set up as a Juliette, you may use it for the Fall Program for debit/credit card payments. If you have never used Clover Go as a Juliette or only have used it with a troop, we will not be setting up any new Clover Go accounts. You may find other ways to accept card payments however GSMW will not cover the cost to use these platforms. When we move into the Cookie Program, Digital Cookie can be used for card payments.

Gluten Free Preorder

There have been questions regarding the Gluten Free cookie preorder and we want to make sure everything is clear. Using this information, if you would like to preorder Gluten Free cookies for the Cookie Program, please submit your [order](#) by October 20th.

1. Girl Delivery for the Gluten Free cookie will be turned off in Digital Cookie.
2. The Gluten Free cookie is not on the order card however we'll provide an extra form to take preorders for this variety if you wish.
3. You will be able to use the Digital Cookie mobile app to sell Gluten Free cookies at booths and for in hand customer sales.
4. You will receive what you preorder and if you do not preorder, you will not have this variety for sales.
