

Cookie Program: Weekly Juliette Bites

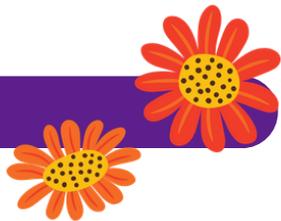

Week of February 23 - March 1

Weekly Checklist

- You can continue to take orders using your paper order card and Digital Cookie. You will fill additional girl delivery orders from Digital Cookie and/or your order card with the extra cookies you receive from initial order. If you run out, you can get more from a Cookie Cupboard. You can also opt to turn off girl delivery in Digital Cookie once your inventory is gone.
- If you did collect any money during pre-order, GSMW recommends that you submit it now. GSMW is not responsible for lost or stolen money and they do not cover NSF fees for checks that are dated more than 30 days. Please refer to the [2026 Juliette Cookie Program Information Guide](#) for ways to submit money.

Securing a Booth

If you would like to sign up for a premium booth (Walmart, Safeway/Albertson's, Smiths, Sam's Club), please call me to discuss your options and get signed up.

If you will be securing your own booth, please use this [booth agreement form](#) and then email Bridget with the booth details to get your booth approved. Juliettes must have one **registered and background checked adult** with her to hold a booth.

To receive your booth patch, you must be either signed up for a premium booth or have an approved secured booth.
