Last Days

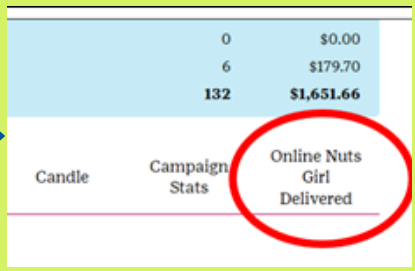

- Two more days for sales! Encourage your troop to get creative and get their site link out for any last-minute sales.
- The product is being delivered this week. Your Service Unit manager will contact you to arrange pickups.
- Product = Money, ALWAYS get a signed receipt when product or money is exchanged.

Product Deliveries

Make sure that all of your Girl Scouts deliver their orders promptly. Customers are waiting for their items!

- Encourage caregivers to refer to their order card or M2OS for Girl Delivery order information.
- Caregivers can access their customer's addresses from their Girl Scout's dashboard.
- **From their dashboard, select [Girl Name] Sales Reports then Online Nuts Girl Delivered.** This will show caregivers customer orders and delivery information.

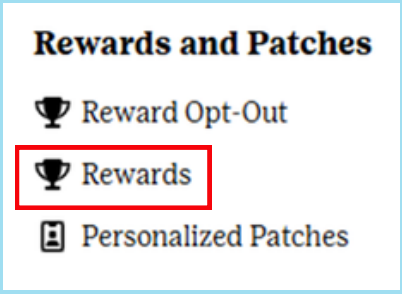

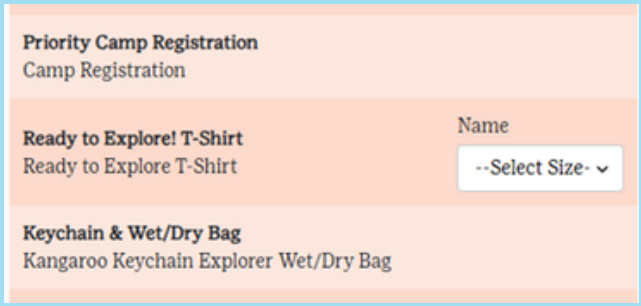

Reward Selection

Girls have until 11:59 PM on November 19th to make any rewards selections (if needed). If a Girl Scout reached the $650 level a tee shirt size will need to be selected. You should have received communication Tuesday if you have selections that need to be made.

As the troop leader, you can check what's missing easily by:

1. Select 'Rewards' under Rewards and Patches
2. Locate any girls with the warning symbol ⚠
3. Click on the Girls name to expand, then select the option needed from the dropdown
4. Click update to save

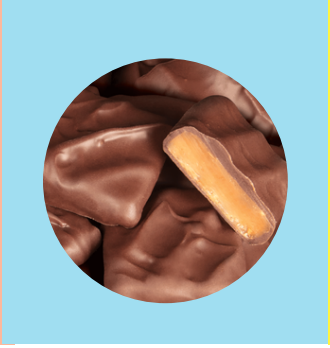

It's easy for girls to see how close they are to the next reward level and get some last-minute sales! On the girl's dashboard, under the "**Fun Stuff**" section, girls can see what **physical rewards** they have earned and how close they are to the next one. They can also select any missing choices here as well.

Any selections not made will be default selected by Council.
